

"I knew that my goal was to help people in life.
I knew that's what I was destined to do."

Chelsea Hancock
Nursing • Georgetown, SC

"From a pretty young age, I knew that nursing was what I wanted to do with my career, so I knew that college had to be a choice for me. I am beyond grateful for the generous funds you have granted me to pursue my career in nursing. Thank you for acknowledging my academic achievements and for supporting me throughout my journey." -- Chelsea Hancock, Scholarship Recipient
