

"I thought that I didn't have enough financial aid to cover my tuition costs."

Jeremy Staley
Elementary Education • Aiken, SC

"I'm an education major, so I feel like there's a lot of work to do in the education system. I thought that I didn't have enough financial aid to cover my tuition costs, and I was just unsure if I was able to attend college or not. I just want to say a simple thank you to you for contributing your funds to help further allow my education process." -- Jeremy Staley, Scholarship Recipient
